Evidence of Need

Certification*

CARES Act funds may be used to provide economic support in connection with the COVID-19 public health emergency, including the payment of expenditures and reimbursement of the costs of business interruption caused by required closures.

I certify that the information in this application reflects the expenditures and costs of

business/organization interruption caused by a required COVID-19 closure, and that these funds are necessary to sustain the operations of my child care or extended learning program.

Choices

I certify

Certification*

CARES Act funds are further intended to mitigate expenses for quarantining individuals, including payroll expenses for child care and extended learning program employees whose services are substantially dedicated to providing essential services during the COVID-19 public health emergency.

I certify that that the program will use these funds to mitigate expenses for quarantining families and staff; families will not be charged tuition for the days they are in quarantine, and staff will continue to be paid during the quarantine.
